

GEORGES CREEK HOMEOWNERS ASSOCIATION

Email and Text Authorization

The cost of mailings to owners is a cost to all owners of the association. To lower costs of printings and mailings, the association would like to provide you with various communication via email. If you prefer to receive association communication by email, please sign the authorization below and return. Some information is required to be mailed to you at your address of record so please make sure we have your proper mailing address on file.

I would like to have the Georges Creek HOA communication emailed to me at the below indicated email address. I will also notify the Association Management of any change in my email address.

This form can also be submitted online at www.georgescreekhoa.com at the online forms section.
